*Payment for education sessions must be received in advance of the session either by cheque payable to “Welsh Mountain Zoo” or card payment over the phone 01492 532 938 extension 3.

**Cost:** £30 per hour, £15 for additional sessions.

Time will be given before and after session to enter/exit, wash hands etc.

Cancellaton Policy: up to 2 weeks before the session you can cancel and receive a full refund, if cancelled after this time a refund will not be issued. We are happy to discuss the possibility of rearranging your session. Refunds will be issued if we have to cancel the session due to unforeseen circumstances.

**COVID-19** Please do not allow anyone to attend the zoo if they, or anyone they have been in contact with, has symptoms of COVID, received a positive COVID test result or is awaiting a test result.

We will send a risk assessment for use of the WILD centre prior to your session. If you have any concerns or you have your own risk assessment for the day, which does not complement our own assessment, please contact us to discuss this as soon as possible.

The data on this form could be used to contact you in line with Test, Trace and Protect. The contact on this form will take responsibility for the group should you be contacted.

---

This document is a booking form for the W.I.L.D Centre at Wildlife Inspiring Learning and Discovery. It includes sections for the name of the school/group, contact details, date of visit, number of children and adults, level/Key stage/age range of group, any additional requirements, session topics, preferred start times, and payment method. It also includes policies regarding cancellations and COVID-19 guidelines.
**ADDITIONAL INFORMATION**

You do not need to print this page.

Booking forms can be returned via email to education@welshmountainzoo.org
Or via post to
Education Manager, Welsh Mountain Zoo, Old High Way, Colwyn Bay, LL28 5UY
If you are paying by cheque, please post cheques with a booking form so that we know what the payment is for.

For any further enquiries, or to discuss your groups needs further, please do not hesitate to contact the Education Manager on the email above.

The WILD Centre is located opposite the zoo shop. Please arrive promptly for your session, but no earlier than 5 mins before agreed start time. We will not be able to extend sessions past the hour if you are late. The nearest toilets are behind the shop.

Capacity for the WILD Centre is 32 students, with up to 8 accompanying adults (40 people in total). This is the absolute maximum. We have 4 tables that seat 8 people. We would highly recommend reducing numbers and booking multiple session where possible, making use of our multi-session booking discount.

**We will tailor a session to suit your group’s needs.**

Topics can be anything to do with animals, the environment, conservation and zoos including careers, we also offer WILD Science, yoga, mindfulness and practical sessions such as crafts. We can offer a limited number of animal enrichment making sessions for smaller groups only.

Our pre-prepared sessions include:

- **Habitats and Adaptations** - meet some amazing animals, learn about the WILD SCIENCE behind some of their adaptations. Adaptable for all ages.
- **Rainforests** - learn about these amazing habitats, meet some rainforest animals, includes a WILD SCIENCE element- the electromagnetic spectrum. Adaptable for all ages.
- **Polar Animals** - can include penguins and or polar bears, WILD SCIENCE element and adaptable for a range of ages including reception/KS1.
- **Minibeasts** - meet some minibeasts and explore some WILD SCIENCE. Adaptable for all ages.
- **We are Going on a Bear Hunt** - story time with a link to bears in the wild and WILD SCIENCE element. Suitable for reception/KS1
- **Inheritance and Evolution** - Suitable for year 6+ a fun introduction to a more advanced topic.
- **Biodiversity and Extinction** - Year 6+

Many groups visiting us as for a “general zoo” session, in which case we would recommend our habitats and adaptations session.

*Animal appearances are dependent on the Health and Welfare of the animal on that day.*
