

Omnivore

My chosen Omnivore is.....

Draw your Omnivore with some of the food it might like to eat.

	Menu
--	-------------

What kind of teeth does an Omnivore have?

Can you name any other Omnivores with a friend?

FEEDING TIME

With so many mouths to feed, the Keepers must make sure that each animal gets the right food.

On the following pages, you will be asked to choose three different animals who each have very different dietary requirements.

When designing your Menu, think about:

- Type of food
- How much food?
- How is it prepared?
- How is it "served"?

Carnivore

My chosen Carnivore is.....

Draw your Carnivore with some of the food it might like to eat.

	Menu
