**NEW LEARNING SESSIONS ADDED FOR 2018!**

**GUIDED WALKS AROUND THE ZOO ARE ALSO AVAILABLE FOR ALL SESSIONS**

Learning sessions can enhance any visit to the Welsh Mountain Zoo, whatever the age or experience of the pupil.

Our learning sessions are **£20** each (**£10** for additional sessions) and take place every **Monday to Friday**, at the following times (subject to availability):

**10.00 - 10.45**

**11:00 - 11.45**

**1.00 - 1.45**

**2.00 - 2.45**

**3.00 - 3.45**

Please telephone and speak to the Education Manager to make sure your preferred time is available and to discuss your group requirements.

The recommended maximum number of pupils per session is limited to **30 under the age of 10, 20 over the age of 10**, but you may book more than one session for larger groups.

Wherever possible, live animals are used to enhance the learning process, so please check to see if any pupils have allergies or phobias before your visit. Please speak to the Education Manager **BEFORE** your visit, if you have any concerns about animal handling.

If you are visiting between September - April, a whole day of activities can be arranged for your group. Please speak to the Education Manager for more information. All sessions and educational material are designed around the National Curriculum - they are particularly suitable to cover life processes, variation and classification, and living things in their Environment.

Guided walks around the Zoo are also available for all sessions.

The following list of learning sessions is by no means exhaustive, please call the Education Manager if there is a specific subject you would like to cover with your group.
